C&B 2.0 & Mission Central Campus Update

A lot of blessings have happened since we opened our doors on November 8, 2019. We have been blessed in so many ways; it is hard to count them all. The biggest blessing we have had is YOU! Without your faith-filled support of time, talents, and financial resources, we wouldn't be here. WE ARE GRATEFUL! Thank you! When we reopened the doors of the Mission Central Campus and the C&B 2.0 store in June, we were unsure of what would happen. All of our volunteers have come back to work; we have even gained a few new volunteers. The store is safe, clean, and prepared to receive customers. **All of our volunteers are compliant with the new procedures given the COVID-19 pandemic. They arrive to work ready for a new day. They ensure safety and create a positive shopping and working experience for all.** We have made new relationships in the community and have had record-breaking daily and weekly sales since the store reopened.

WE ARE ON THE MOVE!

The 'house' side has been through a massive renovation this month as well. If you have driven by, you'll notice the front porch is being rebuilt. This upgrades the appearance of the building incredibly. We are still in the midst of summer, but there is hope that we can be ready to 'open' Mission Central (house-side) close to the time when we celebrate one year of C&B 2.0 in November 2020. This will be a space where we build faith-based relations with the community and share in ministries of FJUMC.

For this to be accomplished, we certainly need your continued support. The following is a list of projects and their (soft) costs to bring to completion. Your financial assistance would be welcomed at this time as we are undertaking this project with limited funding.

The total to complete the renovation is \$5720.

Indoor:

Bathroom: \$450.
Kitchenette: \$200. (our 'thrifty shoppers' were able to purchase a countertop and backsplash; cabinets are being repurposed by our talented crew)
Plumbing / Hot Water Heater: \$1200 (\$830 satisfied by a Bequest and work is being done already)
Insulation: \$950 (satisfied by chicken BBQ funds)
Sheetrock ceiling, finish sheetrock, prime and paint (walls and ceiling): \$1100
Baseboard, Window / Door Trim: \$250.
Flooring: \$1200

Outdoor:

Porch: \$500 (to finish - work is being done on it already)
Siding: \$1000.
Back Deck, stairs and ADA ramp / railings: \$650
HVAC (heating & cooling system) not included in this estimate
This building has been built on faith and miracles. We can do this! We are almost there! Let's do this together in faith for the Glory of God. This is where 'faith and life intersect.' God Bless, and thank you again for your faith, hope, and love.

*"In humility value others above yourselves, not looking to your own interests but each of you to the interests of the others."
- Philippians 2:3-4*

AUGUST

The heatwaves in July were intense, I'm hoping August is a little less humid! I hope you all are enjoying your summer and have been able to make the best of it! I know plans and trips have probably been cancelled but we still count our blessings and there's always next year! A lot of plans have been put on hold for now, but I'm grateful everyday to be here and so beyond blessed to be a part of the FJUMC family. As hard as 2020 has been so far, I wouldn't have gotten through this tough time without the support, friendship and love shown to me by all of you, I'm forever thankful for your grace and kindness. Please stay safe and healthy throughout the rest of summer as we navigate what's next moving forward.
